- 7. (Unclassified RLB) LEGISLATION Bernard Raimo, on the staff of the House Permanent Select Committee on Intelligence, returned my earlier call to Mike O'Neil, Chief Counsel. I told Mr. Raimo I just wanted to let Mr. O'Neil know that yesterday we had met with staff members: of Representatives Romano Mazzoli (D., Ky.) and Don Edwards (D., Calif.) and discussed with them our concerns with the financial disclosure legislation, H.R. 1, particularly the provision relating to filing of financial disclosure reports to protect the cover status of intelligence officers.
- 8. (Unclassified JEC) LEGISLATION Called Susan Geiger, OMB, and informed her that Agency representatives had met with staffers of Representatives Romano Mazzoli (D., Ky.) and Don Edwards (D., Calif.) concerning financial disclosure legislation. I added that we had left with the staffers possible compromise language for the bill.
- 9. (Unclassified JEC) LEGISLATION Called Doc Dalrymple, on the staff of the House Interstate and Foreign Commerce Subcommittee on Health and Environment. I asked him about the contents of H. R. 10908, the "Biomedical Research and Research Training Amendments of 1978," which the Subcommittee was scheduled to mark up the week of 17 April. He assured me that the bill was in no way similar to S. 2579, Senator Edward Kennedy's (D., Mass.) biomedical and behavioral research bill. He added, however, that the Subcommittee will be taking that matter up in the next few months.
